

# LJD AIRE HELMET PRODUCT INFORMATION SHEET

Ultra-Lightweight Ballistic Helmet  
for Military Troops

The ArmorSource LJD Aire Ballistic Helmet is the lightest ballistic helmet in the defense and law enforcement market.

The LJD Aire is more than 40 percent lighter than traditional helmets providing the same ballistic performance and offers higher fragmentation ballistic protection than the Legacy ACH and LW-ACH.

The LJD-Aire –

- Provides extremely high ballistic protection against a wide spectrum of small fragments as well as handgun projectiles
- Extremely comfortable due to its light weight and flexible pad system
- Uses the newest ballistic technology available in the industry
- Utilizes the U.S. Military ACH/MICH shape and accepted by other military organizations worldwide
- Proudly made in the United States.

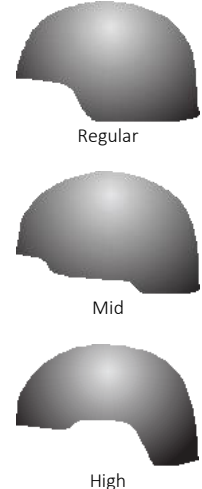

- Available in Bolted and Boltless Configuration
- Compatible with all ACH accessories and Devices
