

LJD Sniper
PRODUCT INFORMATION SHEET

Ultra-Lightweight Special Forces Helmet

The LJD Sniper encompasses our latest profile in Warfighter ballistic head protection. At the core, the hybridization of superior ballistic fabrics. On the outside, sleek lines and subtle contour changes.

The LJD Sniper reduces the Areal Density of the traditional ACH helmet by more than 30% and the LW-ACH helmets by more than 25% while exceeding the ballistic protection of the Lightweight ACH.

- Provides protection against a wide spectrum of small fragments as well as handgun bullets
- Extremely comfortable due to its new Ergonomic Design, lighter weight, and flexible pad system
- Uses the newest boltless ballistic technology available in the industry
- Made in the United States (Berry Amendment Compliant)

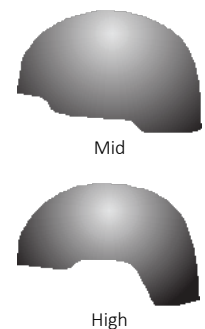

- New Geometry – Extremely comfortable
- Boltless or Bolted models available
- Compatible with Most ACH accessories
